

Vista Grande Public Library's "Grab & Go Bag" Concierge Service (Age 0-6)

How it works: you can fill out a request form for staff member to choose a selection of books for your individual "grab & go bag". This is ideal when you don't know exactly what titles you want but browsing the shelves is not possible.

- Any current library card holder can take advantage of this service once per month.
- Patron's record must have no overdues or charges at the time of the request.
- Bags will contain 10 titles and check out time limits will be 28 days. Renewals are possible unless a title is on hold for another patron.
- Items can be returned all at once, or individually.
